

HOLY CROSS CONVENT SCHOOL VETILAPPARA

Holy Cross Convent School focuses on the wholesome growth of each student. Many platforms are set to develop awareness on the challenging needs of the time, particularly on issues related to the environment. Our initiatives in the field of ENVIRONMENT EDUCATION are the following. They are part of our school tradition; these values are inculcated in students, right from kinder garden.

ENVIRONMENT EDUCATION

- We have a beautiful campus with lush and green garden with variety of flowers and plants.
- School assembly on the theme ENVIRONMENT is conducted to create awareness where in students participate in skits, speeches and other literary activities.
- Saplings are distributed and planted on world Environment Day, thus co-operate with the projects of the Government to promote awareness.
- We have clean and safe classrooms and surrounding, we encourage the students to maintain the same, and students were part of the 'Clean Kerala' Campaign on 1 November 2019 as they cleaned the public road area from the school to Vettilappara, thus, gave message to the public.
- Students are educated to say 'No to plastics' at home and the campus. Reduced the use of paper. Collected plastic pens through "pen drive" project to eradicate plastics from the campus.
- Rain water harvesting is also practiced and encouraged.

SPORTS AND GAMES

Sports and games have a major role in the physical and mental development of the students.

- We have allotted periods for sports and games in our daily schedule.
- School sports and athletic meet is organized to identify and develop the aptitude of students.
- The students have participated and won certificates, medals and shields in Sahodaya Athletic meet.
- We provide special coaching in cricket, football, basketball and others and encourage students to participate in matches.

OVERALL RESULT

Our school has achieved 100% result in Board Examination every year. Overall result is excellent.

PARENT –TEACHERS ASSOCIATION

All parents are members of the Parent-Teachers Association of the school and mothers are members of MPTA. We hold meetings and discussions with and for General Body and executive members. We also arrange seminars and discussions on the challenges faced by the teachers, parents and students. They actively participate in-

- Bringing about more effective collaboration between parents and teachers.

- Understanding and solving problems of the pupil, parents and teachers.
- Cooperating in all educational and other programs aimed at the integral growth of the students.
- Assisting in organizing educational, social, recreational and other co-curricular activities in school for the benefit of the students, staff and parents. Example: Annual Day, Picnic, Sports Day.

SCHOOL MANAGEMENT COMMITTEE

School Management committee has taken active part in the smooth function and important decision making process of the school. Some of them are mentioned below.

- Fixing of fees for the school
- Starting of Online classes during Covid 19 Pandemic
- Introducing various extra-curricular activities in the school.

NORMS FOLLOWED FOR FIXING FEES

- 80% of the fees are used for payment of salary to the staff.
- 20% of the fees are used for the maintenance of the school.
- Due to Covid-19 Pandemic and its consequences, only tuition fees were collected from the students in the academic year 2021.
