

HOLY CROSS CONVENT SCHOOL VETILAPPARA

Holy Cross Convent School focuses on the wholesome growth of each student. Many platforms are set to develop awareness on the challenging needs of the time, particularly on issues related to the environment. Our initiatives in the field of Education are the following. They are part of our school tradition; these values are inculcated in students, right from kinder garden.

ENVIRONMENT EDUCATION

- We have a beautiful campus with lush and green garden with variety of flowers and plants.
- School assembly on the theme ENVIRONMENT is conducted to create awareness where in students participate in skits, speeches and other literary activities.
- Saplings are distributed and planted on world Environment Day, thus co-operating with the projects of the Government to promote awareness.
- We have clean and safe classrooms and surrounding, we encourage the students to maintain the same, and students were part of the 'Clean Kerala' Campaign and they cleaned the public road area from the school to Vettilappara.
- Students are educated to say 'No to plastics' at home and in the campus. And to reduce the use of paper. Collected plastic pens through "pen drive" project to eradicate plastics from the campus.
- Rain water harvesting is also done to bring awareness on saving natural resources.

SPORTS AND GAMES

Sports and games have a major role in the physical and mental development of the students.

- We have allotted periods for sports and games in our daily schedule.
- School sports and athletic meet is organized to identify and develop the aptitude of students.
- The students have participated and won certificates, medals and shields in Sahodaya Athletic meet.
- We provide special coaching in cricket, football, basketball and encourage students to participate in inter school matches.

OVER ALL RESULT

Our school achieves 100% result in Board Examination every year. Overall result is excellent.
